

## **Electrical Troubleshooting, Part 1**

March 19, 2009  
University of New Mexico  
Dane Smith Hall, Room 120  
601 Yale Blvd., NE  
Albuquerque, NM 87131

**Sponsored by  
UNM and NM Water  
Conservation Alliance**

### **Course Description**

**4 IA CEUs.** Learn how to properly use volt-ohm meters and how to diagnose wiring problems based on their readings. Become skilled in the application of wire-locating equipment. Learn the most effective steps in sorting our confusing electrical problems so you will rarely have to resort to running new wire to solve your problems.

**Prerequisites strongly recommended:** Basic understanding of sprinkler system mechanical operation and maintenance. "Irrigation System Installation and Maintenance" is an excellent precursor for this course.

**Course includes:** A half day of instruction, handbook and class handouts.

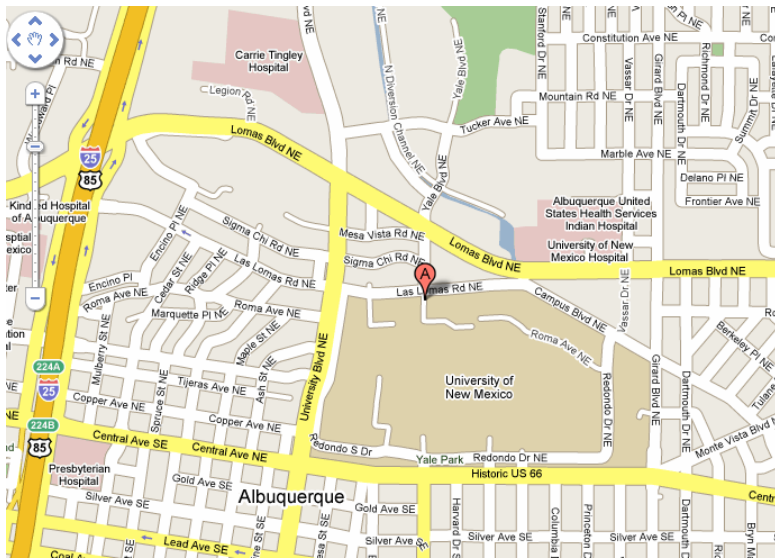

**Register by Mar. 6  
and receive the  
discounted rate!**

**Register for the course** by visiting [www.irrigation.org](http://www.irrigation.org) or by completing the form on the back of this flier.

Additionally, certification exams will be offered Mar. 20, 2009. See reverse side for exam registration information.

Smart practices.  
Sustainable solutions.

Albuquerque, NM
